REF 33210

REF 33260

- Medical cleaning wipe for gentle and careful external cleaning and care of sensitive skin areas
- Ideal for preparatory skin care when using tracheostoma and stoma products
- With a mild cleaning lotion that contains moisturizing and skin-nourishing ingredients
- Excess skin oil, dirt particles and residues of skin adhesives are gently removed from the skin with the soft, lint-free cloth
- Cleaning wipes are also suitable for preparatory skin care when using aids such as **LARYNGOFIX®** tracheostoma protection and base plates such as **LARYVOX® TAPE**
- Available in different sizes:
  - **REF 33200**: 185 x 190 mm individually packed in sachets
  - **REF 33210**: 135 x 220 mm individually packed in sachets - ideal for travelling
  - **REF 33260**: 150 x 150 mm available in a practical dispenser box for home use: The wipes can be conveniently and hygienically removed individually from the sturdy dispenser box. A lid closure prevents the wipes from drying out.
